ADOPTION CONTRACT 2022

Adopt a row of Valdobbiadene and become AMBASSADOR OF THE VALDOBBIADENE DOCG SPARKLING WINE

"SHARE THIS MISSION WITH US"

Art. 1 - The duration of the adoption agreement is ANNUAL. It starts on January 1st and ends on December 31st. However, rows can be adopted (for the successful year) starting from 1 October of the previous year and until August of the following year.

The renewal of the adoption can take place with a new payment or it is possible to adopt, in a single solution, even more years.

Art.2 - The adoption fee varies according to the choice of bottles and to which corresponds n ° 1 row. It is also possible to adopt more rows. This fee will entitle you to choose the type of Valdobbiadene DOCG you prefer. Please tick your preferred choice in the form.

Art.3 - The choice of the row takes place in progression to those already adopted, by La Casa Vecchia.

Art.4 - Upon request, the ADOPTANT may visit the adopted row and attend the work in the vineyard. Harvest.

Art.5 - The adopter will receive fine wines called Valdobbiadene DOCG Spumante of the type and quantity chosen in the form table. In the event that due to force majeure (atmospheric events such as hail, landslides, landslides) the vineyard does not produce grapes, the ADOPTANT will receive a voucher to receive the bottles with the next harvest.

Art.6 - If during the period of adoption in the Follador Family a new heir should arrive, the number of rows could "slide" forward by one position with consequent change of the number initially assigned.

Art.7 - CANTINA LA CASA VECCHIA, chosen and approved for this task, will be able to pursue the ultimate goal in all the steps, which is to achieve the highest quality of the wine in the bottle.

Art.8 - CANTINA LA CASA VECCHIA is responsible for all ordinary and extraordinary management costs and no additional charges may be requested from the ADOPTANT in addition to the cost incurred in this "Agreement".

Art.9 - The bottles produced will have a personalized label with the name of the ADOPTANT. For a higher quality of our sparkling wines you will have to wait until March (following the year adopted) while if you prefer to have the bottles by Christmas, the latest production available in the cellar will be delivered. Everyone can collect their products or, upon request, shipment can be arranged at an additional cost. Please tick your preferred choice in the form.

Art.10 - The personalization of the label is done by La Casa Vecchia by entering the chosen name. Logos or other designs will be granted only if these logos are sent by email and in Jpeg format (possibly with a transparent background) directly by the ADOPTANT and by 15 October. The label also contains the La Casa Vecchia logo and the wording Valdobbiadene DOCG. You can request the production of other labels to package extra bottles that the adopter will want to have for himself or for unique gifts. Extra labels have a cost of + € 1.00 / each bottle per bottle, € 2.50 / each for Magnum. and for Jeroboam of + € 3.00 / each. La Casa Vecchia Valdobbiadene DOCG Metodo Classico Brut Nature M&M cannot be customized.

Art.11 - After 1 year of non-renewal of the adoption, the name in the row will be removed and replaced by a new adopter.

Art.12 - Starting from February, the ADOPTANT will start to receive emails, one at least every 2 months, in their row. In case of non-receipt, contact the manager Mr. Emanuele Follador directly at +393289748909.
